

## Long Neck Elementary School

*December 2008*

*Dear Susan,*

*On behalf of the staff and families of Long Neck Elementary School, I would like to thank you and the awesome Sussex County Association of Realtors, for making Christmas possible for our students and their families.*

*Your valuable gifts of time, kindness, and generosity will bring smiles to many little boys and girls Christmas morning.*

*Thank you again for everything you do year round for our great community. It really does take a village to raise a child.*

*Sincerely,  
Lori Johnson*
